majeax[®]

LEADING MANUFACTURER FOR HIGH QUALITY
GYPSUM LIGHTING & COMMERCIAL LIGHTING

Majeax Lighting is the leading manufacturer of quality lighting products, we offer comprehensive range of stylish recessed, pendant, wall mounted, ceiling mounted lighting products. We are especially well-known as the biggest and best manufacturer for gypsum lighting with our extensive range of designs, superior quality and reliable and responsible performance on customer service.

Since 2008, Majeax's keeping rapid growing is also owes to our continuously development efforts on using different material, new designs and new technology, like new material with combination of gypsum, die-casting aluminum and plastic, new innovation of concrete series etc. Also, with the fast growing of LED technology, our product lines have evolved to precision LED luminaires as well and have a well-deserved reputation for quality and innovation.

Now Majeax is not only extensively absorbing the advanced management experience and personnel to ensure that company's stability and healthy growth in the process of expansion, but also introducing of new ideas and advanced technology from worldwide to maintain our competitiveness in the overseas market.

↑ Mould Room

↑ Powder painting : A aluminium product

↑ LED dust-free workshop

↑ Filling the mould

↑ Polishing the product

↑ LED assembling area

↑ Repairing the small bubbles

↑ Parts warehouse

↑ Integrating sphere measurement

↑ Light-distribution photometer
